

Certificate of Approval

This is to certify that the Management System of:

Surface Technology International Ltd

Osborn Way, Hook, RG27 9HX, United Kingdom

has been approved by Lloyd's Register to the following standards:

ISO 14001:2015, ISO 45001:2018

Approval number(s): ISO 14001 – 00007406, ISO 45001 – 00007407

The scope of this approval is applicable to:

Activities associated with the assembly and testing of surface mount and conventional printed circuit boards including procurement of all components and printed circuit boards. Further services offered include conformal coating, stress screening and enclosure assembly.
